FYI. Also, would be useful to have the lead cleanup narrative for this and several other press/congressional inquiries for context.

Subject: Los Angeles County Supervisor Hilda Solis: Exide Discussion Follow Up & Interest in Setting Up Call with Jared

Abi –

From the e-mail traffic below, it looks like Los Angeles County Supervisor Hilda Solis' office will be reaching to set up a call with Jared to discuss Exide. Not sure if it will be Ben Polk whose contact information is below or someone else from the Supervisor's office.

Please let me know if I can be of any assistance. Please let me know if/when a call is set up with Jared. Thanks.

Thanks, Ben. Adding Mathy Stanislaus who was in the meeting, as well as Jared Blumenfeld, our R9 Administrator – together with Brent Maier in the Region.

Administrator McCarthy sent a note to Jared (and Mathy) in follow-up to the meeting with Supervisor Solis and you all – we'll make sure to follow-up and loop back around with you all.

Subject: Exide Discussion Follow Up

Hi Mark,

Great meeting with you yesterday. Thank you for your interest and support regarding Exide. I wanted to make sure we were connected—the rest of the staff team is also cc'd—so that we can continue the discussion. I'm afraid I either did not get or lost your colleagues business card. Would you mind looping him in to this conversation? Look forward to talking further.

Best,

Ben
